

News & Announcements

HHCC Fundraiser Was A Success!

On June 26, 2011 HHCC held our First Annual Community Fun Day at the VFW in Brockton. There were games for children, a bouncy house, a silent auction, tons of raffle baskets, burgers and dogs on the grill, music, and a clown with balloon animals. What a great time we had! If you were there, thank you so much for coming out to support our agency. If you weren't there, you missed a great time and we hope to see you at our next fundraiser event! Please take a moment to check out the list of generous businesses and individuals whose donations made the event possible (pg. 2).

The Fundraising Continues...

Beginning on September 1st, HHCC will be selling raffle tickets for a 42" flat screen t.v. The drawing will be held at our workshop on December 13th. Tickets are only \$10 each or 2 for \$15. If you are interested in this raffle, please contact fundraiser@hhcc.org.

Thank you all for your support!

It is through our fundraising efforts that we are able to bring you this calendar and the other Training Calendars throughout the year, keeping the prices of the workshops at an affordable cost for you!

EEC Core Competencies

When reviewing your workshop choices, please use the key below to see which core competency the trainings align with. Core competencies reflect the core body of knowledge and observable skills and attitudes that educators working with young children need to facilitate child learning and development.

If the workshop covers Special Needs/Diverse Learners topics, look for the symbol (SN) next to the title.

1. Understanding the growth and development of children and youth
2. Guiding and interacting with children and youth
3. Partnering with families and communities
4. Health, safety and nutrition
5. Learning environments and implementing curriculum
6. Observation, assessment and documentation
7. Program planning and development
8. Professionalism and leadership

NEW THIS YEAR!

Quality Rating & Improvement System (QRIS)

To assist you in your planning and movement through EEC's QRIS, we have noted which workshops can be used towards meeting specific QRIS requirements. Note that several workshops are recommended to be included as part of an IPDP (Individual Professional Development Plan).

Toddler Biting and Other Behaviors

Date: Monday, 10/24/11

Fee: \$25.00

Presenter: Anita Preble, Licensed School Adjustment Counselor at Winthrop Public Schools

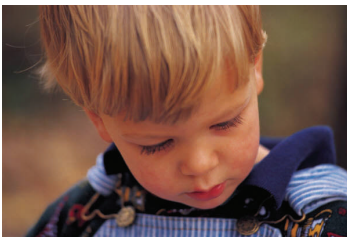

Location: HHCC's Training Center, Brockton

Target Audience: Educators working with toddlers

EEC Core Competency: 2

This workshop can be used towards meeting QRIS requirements for:

FCC: 1B.2.1 **Center:** 1B.2.1

This workshop addresses the developmentally typical behaviors of toddlers, ages 15 months to 2.9 years. Children in this age group have specific developmental tasks and limitations that affect behavior and the way in which adults need to approach them. A discussion about what these developmental issues are and how they affect behaviors is a major focus. Specific examples of why biting occurs and what to do about it both at child care and at home are discussed. The workshop also covers tantrums in various situations and how to deal with them. Modeling of the appropriate interaction with toddlers is part of the training. Questions are taken throughout and encouraged.

Using Everyday Conversations to Promote Learning

FCC: 3A.2.5 **Center:** 3B.2.4 **OST:** 3B.2.2

Time: 6:30-8:30 p.m.

Credit: 2 EEC hours

Research and experience have taught us that family involvement with children's learning is key to their success. This involvement does not mean getting families to the program for training and volunteering. It is, instead, grounded in productive and mutually beneficial relationships with educators with the focus on supporting learning and development for each child. Participants will review the research, discuss best practice, and share their successful strategies for engaging families in promoting learning at home.

Don't Pop Your Cork

Date: Tuesday, 12/13/11

Fee: \$25.00

Presenter: Jeanine Fitzgerald, Certified Human Behavior Consultant

Location: HHCC's Training Center, Brockton

Target Audience: All

EEC Core Competency: 8

Time: 6:30-8:30 p.m.

Credit: 2 EEC hours

No matter how much we love our work, or how fulfilling we find it, it is difficult and demanding. There are no instruction manuals or cookbooks, nor are there requirements for self-care. This session examines ways to nurture the nurturers because self-care is not the same as being selfish. Our effectiveness depends on our ability to meet our own needs and maintain a state of wellness. This requires much more than stress management techniques.

Note: December 13th marks the last day for HHCC's Flat Screen T.V. Raffle. The lucky winner will be announced at this workshop. You do not need to purchase raffle tickets to attend the workshop. Raffle tickets will be available for sale at the workshop, as well as in advance by request. If you purchase tickets in advance, you do not need to be present at the workshop to win. To request tickets, or for more information contact fundraiser@hhcc.org.
